

Alamosa, Colorado,
October 30, 1908.

Mr. F. N. Lincoln:

Reference is yours of October 19th in regard to yellow and red lenses for markers.

Stock-up or leader advised he forwarded to Durango October 19th, 12 lenses for replacement in markers out of that point and will forward the remainder you required as soon as they are received.

Please advise us when all markers have been supplied with the yellow and red lenses.
